Federal and state guideline changes can often be confusing. Empowerment 360 can assess your current Special Education Program and make recommendations that ensure these guidelines are met.

Through multiple day support, we provide:

- *Full comprehensive review of current SPED program
- *Three Tier Implementation
- *Visits to classrooms
- *Training and Observation of Inclusion process
- *Administrative Assistance for principals and central office staff
- *Recommendations for Implementations
- *Technical assistance
- *Assistance in developing appropriate IEP(Individual Education Plan)

The goal of Empowerment 360 is to ensure that every student is provided with the necessary services to maximize his / her potential

Maximizing the potential of ALL students
